

# BACK OFFICE SERVICES

## CREDENTIALING SERVICES

Our comprehensive credentialing services ensure compliance and verify qualifications, enabling seamless provider management and efficient healthcare operations. Trust us for meticulous credentialing processes tailored to your organization's needs.

## MEDICAL BILLING & REVENUE CYCLE MANAGEMENT

Our Medical Billing Services and Revenue Cycle Management solutions streamline healthcare financial processes, optimizing revenue flow and reducing administrative burdens. From claims submission to payment posting, we ensure accuracy and efficiency, allowing healthcare providers to focus on delivering exceptional patient care while maximizing financial performance.

### CLAIM SUBMISSION

Submit claims electronically to insurance providers promptly, minimizing delays in reimbursement.

### PAYMENT POSTING

Record and reconcile payments received from insurance companies and patients to maintain accurate financial records.

### A/R & DENIAL MANAGEMENT

Monitor and address claim denials swiftly, identifying reasons for rejections and resubmitting corrected claims promptly.

### FOLLOW-UP ON UNPAID CLAIMS

Proactively follow up on unpaid or delayed claims, addressing any issues and ensuring timely resolution.
